WELCOME!

So here it is, the 2022 schedule for the Oakley Village Show (and we are crossing everything, in the hope that everything will be back to normal this year!).

You will see from the front cover that we have added a royal twist, as we wanted to acknowledge the Platinum Jubilee. This will be seen in some classes and activities, which will include a 'Crown fit for a queen (or if you prefer, a king)' competition and parade. Also, in the arena there will be demonstrations from local groups, and we welcome back the John Glasscock Jazz Band. We are delighted to have with us Magic Jack who will keep children entertained, so we hope we have something for everyone!

New, this year, is the 'One I made earlier' table. We are aware that our classes don't give everyone an opportunity to display their talent, so we invite you to show us what you do. It's not a competition but we hope it will inspire others to take up something new and perhaps give us different ideas for next year.

As you can see, plenty to look forward to! So, join us as we acknowledge the wonderful achievement of the Queen being on the throne for 70 years and simply enjoy being together again.

RECIPE

CAKES WITHOUT EGGS

Quoted from the Stork Margarine Cookery Service, "The Art of Home Cooking" 1954

"For perfect results in cake making, eggs are essential, but when these are scarce or expensive, it is still possible to make very good cakes, if these Stork recipes are used, for Stork Margarine gives an all-important, rich flavour of its own."

Black Treacle Cake

Prepare a 6-inch cake tin (Line with double greaseproof paper, brushed with melted Stork)	
Turn on oven Gas Mk4, 360F, 180C	
INGREDIENTS	METHOD
8oz plain flour ½ level tsp salt ½ level tsp cinnamon 1 heaped tsp mixed spice ⅓ tsp bicarbonate of soda	Sieve all together into a mixing bowl
4oz Stork margarine	Cut into ½ inch squares and rub in
2oz sugar	Add to the rubbed-in mixture and stir together
3 level tbs black treacle 2 level tbs golden syrup	Warm slightly together in a saucepan, allow to cool a little and pour onto the rubbed-in mixture
6 tbs fresh milk	Add to the mixture and stir thoroughly together, beating well
Put into prepared tin and smooth evenly	
Baking: Shelf- Middle Temperature- Moderate, (Mark 4; 360F, 180 C) Time- 1¼ - 1½ hours	
Remove the cake from the oven, when baked Leave in the tin for 10 minutes Turn out, remove the paper, and cool on a wire tray	

For metric equivalents see as follows:

6" tin	-	15cm	
2oz	-	50g	
4oz	-	100g	(of course any hard margarine may be used!)
8oz	-	225g

What is a Twiddlemuff?

It is a knitted muff with items attached so that someone with dementia can twiddle in their hands. People with dementia often have restless hands and like to have something to keep their hands occupied. A Twiddlemuff provides a wonderful source of visual, tactile and sensory stimulation and at the same time keeps hands snug and warm.

Pattern for a knitted Twiddlemuff

- Materials:** This muff pattern is perfect for using up left over and odd balls of wool.
- Needles:** 8mm circular or 6.5mm straight needles.
- Cuff:** Cast on 45 stitches using 2 strands of double knitting wool or 1 strand of chunky wool (one plain colour works best). Work in stocking stitch for 28cm (11 inches).
- Muff Body:** Continue with stocking stitch, but use up oddments of various textures of wool such as chunky, mohair, ribbon etc. until the work measures 58cm (23 inches) (two strands of double knit for two rows each gives a lovely assortment of colours). Cast off.
- Finishing:** If working with straight needles, lightly iron the long strip, then neatly join the sides together using edge to edge stitch (with the knit side facing out). Turn inside out and push the one-colour cuff up inside the muff body. Sew the two ends together, again using a neat edge to edge stitch.
- Decoration:** Now is the time if you want to decorate the muff, inside and out, with ribbons, beads, flowers, zips, loops, pompoms, buttons, etc. Knit a separate pocket for a favourite photo or a hanky. Be creative, but make sure each item is securely attached.
