# *"Let's go on with the show!"*

For the last few years, the Oakley Village Show has had a theme. Last year we were preparing to launch into the roaring 20's, only to be stopped in our tracks before we had finalised any classes or arena events. This year, we have had to take a different approach: in effect, we have taken the show apart. We have put to one side our arena entertainment and our stalls are now operating under the June "Front Garden Stalls" banner.

This schedule is all about the third aspect of the show, the exhibits, and we are pleased to say it's (almost) full steam ahead! Due to space restrictions, we have cut back on some of the classes, but whether you are a veteran or a novice, this is your chance to have some fun. Look at the classes; surely there is something to tempt you to have a go! That's what the show is all about: enjoying a challenge and seeing what you and others come up with.

One thing the pandemic has highlighted is the strong sense of community we enjoy in Oakley and we are looking forward to people coming together to support this part of the show. So, we look forward to seeing you on 18th September with all your wonderful entries. But, should you decide that entering a class is a step too far, then support the show by coming along in the afternoon and admiring the efforts of others.
